CABLETECH

COMPANY PROFILE

INTRODUCTION

Established in 2023, **Cabletech Sdn Bhd ("CABLETECH")** started as a low voltage and fibre optic cable manufacturing company dedicated to providing high-quality power and telecom solutions to meet the diverse needs of industries worldwide.

Founded by a team of seasoned professionals with a wealth of experience and proven track records in the electrical and telecommunications industry, **CABLETECH** is committed to excellence in manufacturing, innovation, and customer satisfaction. Our products are designed in accordance with the international standards, emphasizing quality, safety and reliability.

With a vision for future expansion, **CABLETECH** plans to broaden its product line to encompass cables across the Medium, High, and Extra High Voltage categories in the coming years.

VISION

Our vision is to become a leading provider of power and telecommunications solutions, renowned for our quality, safety, reliability, and unwavering commitment to excellence in every aspect of our operations.

MISSION

At **CABLETECH**, our mission is to deliver superior power and telecommunications cables and related products that exceed industry standards, while promoting innovation, sustainability, and long-term partnerships with our customers and stakeholders.

PRODUCTS AND SERVICES

CABLETECH offers a comprehensive range of power and telecommunications cable products, including but not limited to:

- Power Cables
- Fibre Optic Cables
- Overhead Transmission Conductors
- Control Cables
- Instrumentation, Off-shore, Marine and Shipboard Cables
- Communications Cables
- Specialised Cables (fire-resistant, heat-resistant, and various armouring)
- Cable Related Accessories

Our products are designed and manufactured to meet or exceed industry standards and certifications, ensuring optimal performance, reliability, and safety in various applications across industries such as construction, infrastructure, utilities, telecommunications, and renewable energy. In addition to our standard product offerings, we also provide customized cable solutions tailored to specific customer requirements, including different sizes, configurations, armouring, and insulation materials.

PRODUCTION FACILITIES

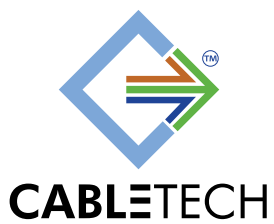

CABLETECH operates a state-of-the-art manufacturing facility equipped with advanced machinery, testing equipment, and quality control systems at its factory located in Johor. Our production processes adhere to strict quality standards and comply with international regulations, ensuring the consistency and reliability of our products.

TEAM

CABLETECH is managed by a team of experienced professionals with decades of combined expertise in the electrical and telecom industry. Our leadership team comprises individuals with proven track records in manufacturing, engineering, sales, and operations, bringing a wealth of knowledge and insights to drive the company's success.
